How do I assess and prioritize what is important to me? Come and be encouraged by the stories of others also seeking a relationship with God. Pray together, talk in small groups, take time with old friends, meet new ones and celebrate a Catholic Mass. Discover more meaning in your life through some of these thought provoking presentations on the impact of faith in their lives by others in their 20s and 30s:

- Entering Deeply into Our Faith Stories
- Naming What's Important
- Discernment & Prayer in Everyday Life
- Suffering, Healing and Hope
- Our Deepest Desires

We hope you'll plan to participate in this opportunity to look at where faith has brought you so far and where you can go next.
